- Are you tired of the same old networking events that don't seem to offer anything NEW or RELEVANT?
- Do you really feel like you are alone when you look for ways to connect with other women WHO WORK and PLAY AT YOUR LEVEL?
- Have you reached a level of success that makes it difficult to talk to other women who truly understand your unique challenges and opportunities
- Do you want to run with the big dogs but find yourself held back on the porch because it's easier to do than doing it alone?

You are NOT Alone, WING is here!

WHAT We Do and WHO We Are

WING is a networking, education and masterminding community for HIGHLY ACCOMPLISHED, affluent women who are leaders in the community, their careers or their businesses. A WING™ woman is ambitious, passionate, has integrity and uses her influence to IMPACT the world in an amazing way. We socialize, learn from industry experts, share professional knowledge, and discuss strategies for a well-balanced life in venues from the SPA to the corporate boardroom.

We Do Things Differently!

Our mission is to connect and engage with other influential women leaders, create opportunities for one another, close deals and experience personal growth through our membership.

So who is ready to Wine Down™?

In 2015, we will focus on our Personal Growth and taking that down time to de-stress and rejuvenate our minds and bodies so we can get back to our priorities with more FOCUS and ENERGY than ever before! We will grow our mindsets to be mentally and emotionally stronger, get out of our own way, and grow to be the best women, moms, partners, spouses, and business women we are all born to be!

Additionally, we will be adding a lot of great things for you to CATAPULT your businesses, and careers as well to be the wealthy women we were born to be!
